100% Canadian made,
solid wood.

offspring is 100% Canadian made, solid wood

WE BELIEVE BABY FURNITURE SHOULD BE SAFE. THE QUESTION IS, WHAT IS SAFE?

All coatings and stains used by offspring are formulated very carefully in accordance with the "Consumer Product Safety Improvement Act of 2008" and contain NO lead, phtalates, antimony, arsenic, cadmium or mercury.

sleep soundly knowing that your baby is sleeping safe.

College Woodwork began in the early 1900's as a woodworking class for students attending Lornedale Academy, now Kingsway College. It has since evolved into a leading manufacturer of Canadian-made, solid wood furniture. Providing monetary and experiential support to Kingsway College and its students has been College's primary goal.

www.collegewoodwork.com

Since 1903, Kingsway College has provided quality education and valuable life experience to secondary school students coming from all reaches of the globe. The school offers numerous spiritual, educational and athletic opportunities, while continuing to promote the importance of a strong work ethic.
