h: 48" (h)
12 7/8" (f)

The Bayview bed is also available with a low footboard option. The low-profile bed with wooden side rails does not accommodate the under-bed storage options. The bed is available in twin (B39-LP), double (B54-LP), queen (B60-LP) and king (B80-LP) widths.

The Bayview bed is a classic design with recessed panels in the headboard and footboard (twin bed, two panels; double and queen, three; king, four). Twin and double beds include an eleven-piece wood slat roll for mattress support; when ordered with the regular footboard, the twin and double beds will accommodate the under-bed storage options shown at right. The queen and king beds include a metal mattress support system with additional support legs and will not accommodate the under-bed storage options.
