Evocative of the rugged North, the Yukon Series features a square silhouette, board and batten detailing and hand-distressed finishing for a timeworn appeal. With a range of finish options and a variety of case pieces, Yukon works well in both adult and youth bedrooms. The Yukon Series combines the convenience of modern features with the visual appeal of much-loved antiques.

Pieces shown finished in premium Antique Black (black topcoat sanded through to a cinnabar undercoat) with pewter cup handles and knobs. Single hole drilled drawers are optional (specify knob option when ordering).
