h: 37 7/8"

Clarington Collection

The Clarington Bed is available with a choice of footboards – the mattress-height regular footboard or the compact low-profile option (shown here). The smooth leather insert, offered in velvety black, provides a decadent contrast to the restrained lines of the bed. Double beds are shipped with an eleven-piece slat roll for mattress support and accept our underbed storage options. Queen and King beds are shipped with a metal support system and will not accommodate underbed storage options.

With clean curves on all legs, the Clarington Collection has a look of reserved elegance. The Clarington bed headboards are upholstered in high-quality leather, a tactile note of luxury that makes the master bedroom a personal retreat from life's everyday stresses.

Crafted from birch, Clarington legs, tops and drawer fronts are all solid wood. The finished drawers feature English dovetail assembly and fully extend on metal ball-bearing mounts. The shape of the polished nickel drawer pulls pleasingly echoes the curve of the case legs.
